*The superyacht SOUTH embodies  
elegance without extravagance.  
Ideal to rent for a cruise in the  
Mediterranean, with family or friends,  
the SOUTH promises you a cruise  
rhyming with moments of pleasure.*

Delivered in 2020 by the Ferretti Yachts shipyards, the SOUTH continues the tradition of luxury yachting. The 11 passengers will be able to sail at their ease. 5 spacious cabins combine refined and contemporary decoration with cosy comfort to offer intimate cocoons for each charterer. The clever contrast of the bright interior with white to grey tones creates a modern and refined atmosphere.

M/Y SOUTH is characterized by its vast outdoor relaxing areas comprising her oversized sundeck complete with spa-pool Jacuzzi, hardtop for shade when needed, as well as her sunbathing and lounging areas. Active-minded guests looking to stay in shape whilst on board the SOUTH superyacht will be able to train in style enjoying panoramic sea views thanks to the treadmill and Technogym exercise bike available on the top deck. The same approach of maximizing living space has been put to the fore when designing the extra-large bathing platform in a beach club style, the aft cockpit, and the bow sunbathing with a u-shaped seating area on the upper foredeck.

Onboard, the art of living is the watchword and extends to the outdoor areas, designed by Zuccon, which will encourage you to relax and unwind. To fully relax, you can rely on the professionalism and friendliness of the 7 crew members. On the flybridge, the jacuzzi and sunbathing areas will be the scene of evenings under the starlight, with a glass of cocktail or champagne in hand. For an entertaining experience, you can try your hand at the risky game of towed buoys. Some of you might end up in the water, for the greater amusement of others.

The yacht SOUTH will take you on a peaceful and exhilarating voyage. You can sail along the French Riviera, discover the red rocks of the Estérel massif before bathing in the wild and festive universe of the Gulf of Saint-Tropez and plunge into the sublime preserved scenery of the Golden Islands and the Port-Cros National Park. You can also take a cruise not far away, towards the Italian Riviera, where the Cinque Terre unveils creeks with turquoise waters and villages nestled in the rock.

Charter yacht SOUTH is steady as a rock, yet light as a ripple without any compromises to comfort; an unparalleled superyacht that is fitted with the latest electro-hydraulic and gyroscopic stabilizer systems, for both, comfort underway and at anchor. Onboard entertainment is guaranteed thanks to the latest state-of-the-art infotainment and audio-visual systems, whereby the fun out on the sea is guaranteed with not less than even 3 jet-skis, 2 diving scooters plus water skis, and stand-up paddleboards.
